Re: Mr. Eyal Artsiely

To Whom It May Concern:

I have known Mr. Eyal Artsiely for nearly 20 years as an engineer, designer and inventor. I have had the opportunity of working with him on patents and patent applications for Mul-T-Lock Ltd. Mr. Artsiely demonstrated creativity and perseverance and his work was characterized by a high level of order and organization which, in my professional view, is essential to successful design, development and engineering.

I would be pleased to discuss my experience in working with Mr. Artsiely with interested persons.
